24th March 2017

Letter of Invitation:
To Professor Peng Liangzhi
Citrus Research Institute,
Chinese Academy of Agricultural Sciences in China

On behalf of the Australian Organising Committee, we would like to extend an invitation for you and your fellow researchers to attend the 11th Congress of the International Society of Citrus Nurserymen (ISCN) to be held in Australia, and New Zealand this year.

The Main Congress will be held in Mildura VIC, from Monday 24th July finishing on Friday 28th July . A field tour will follow, concluding in Adelaide S.A. on Monday 30th July. Pre Congress tours are available in Sydney NSW and Hervey Bay Queensland.
The tour to New Zealand will be held from the 1st of August to the 4th of August.

Representatives from at least 15 countries will be in attendance. All of the information about the Congress can be found on our website, www.iscn.co, there you will find all of the details of the pre-congress and post congress along with recommended accommodation and flights. In order to participate in the Pre-Congress and Post-Congress tours attendees must register for the Main Congress first.

This Congress will provide numerous opportunities to discuss the progress of citrus research and development with many other countries. We trust that you and your delegation will support this endeavor and sincerely hope that you will be able to participate.

On behalf of the Australian Organising Committee, we look forward to your participation in the International Society of Citrus Nurserymen 11th Congress.

Yours faithfully

Gary Eyles
Chairman Australian Organising Committee

ISCN Secretary NATE JAMESON
